

Greenagers AmeriCorps Member Position Description

2024-2025

Program Name: Greenagers Inc.

Position Title: Greenagers AmeriCorps Member

Location: Greenagers AmeriCorps Members are based out of April Hill Education and Conservation Center in South Egremont, the southwest corner of Massachusetts. Throughout the season, members serve on various projects and school districts in western Massachusetts.

Purpose: Members will focus on addressing the growing trail, forest, and environmental education needs in western MA while developing and enhancing their skills in the fields of conservation and education. In the fall, winter, and spring Greenagers AmeriCorps Members crews will operate in small crews to build and improve trails and implement forest and habitat improvements. In the summer, AmeriCorps members will serve as leaders to small groups of high school age youth to complete trail building and improvement projects. Throughout the year, pairs of members will serve in classroom settings to deliver environmental education curriculum.

Responsibilities:

Trail Services Essential Functions (75-85% of service)

- *Serve in small (2-3) and large (6-16) groups of AmeriCorps members to ensure a safe working environment and quality trail and habitat improvement projects in the front country (day crews) and back country (camping crews)*
- *Hike uneven terrain for long distances (more than 4 miles)*
- *Capable of lifting and carrying 50lbs*
- *Construct trail structures like staircases, drainages, bridges, universally accessible tread, and retaining walls*
- *Layout project work and continually check specifications using levels, measuring tape, chalk lines, etc.*
- *Safely and effectively use hand tools, power tools, rigging equipment such as winches, cables, blocks, shackles, slings, chainsaws, and wedges*
- *Serve in and be prepared for nearly all weather conditions including rain, heat, humidity, and snow.*
- *Serve in a way that follows the seven principals of leave no trace*
- *Foster a spirit of cooperation, safety, teamwork and responsible stewardship*

Environmental Education Essential Functions (15-25% of service)

- *Serve with one to two other AmeriCorps member to deliver quality environmental education curriculum; topics will include sense of place, ecosystem service, erosion, habitat, wildlife, etc*
- *Develop environmental education curriculum*
- *Ensure the safety of students*

Marginal Functions-

- *Stacking wood*
- *Operating a small wood mill*
- *Driving a small tractor*
