Summer Gala

Featuring food grown by our youth Farm Crews
&
A presentation by youth from our Trails, Trades and Farm Crews.

Cocktail hour enjoyed in the garden.

Dinner served in the field, with sweeping views of the hills.

The setting sun and rolling landscape create an enchanting backdrop:
A perfect setting to honor the work of youth and the community that uplifts them.

A rare and intimate experience:

*“Greenagers is the best of Berkshires culture –
remembering our past as it imagines and builds our future. We work with our hands all the
time, and so we are especially excited to add a little support to Greenagers, where young people
learn to use their hands to make the Berkshires a more wonderful place for all of us.”*
